FEBRUARY 2006

## FEBRUARY'S EVENT A SPECIAL TIME FOR MEMBERS TO REFLECT

Every event at SAGE is special, but February is a time we remember our long time relationships as well as our loved ones who have gone on before us.

So, if you've ever been in love, are in love, or someday hope to be in love, come celebrate that special time in your life.

On February 11th we'll be gathering at the beautiful Palm Aire Country Club (East Entry) to enjoy each others company as well as a spectacular Saturday Lunch (see enclosed flyer).

I've asked Al Rollo to perform for us as well as Ken Goodman to play your favorite CDs.

### SHOWTIME'S A COMMUN'

If you can hold a paint brush, know the difference between an extension cord and a faucet, call Rick Carlone and get involved in this years show.

I can guarantee you a good time. All you have to do is recall the great time everyone had on and backstage last year, so join in and help

Rick produce SHOWTIME 2006.

### SMARTRIDE 2006

Smartride 2006 is now history, and with it the sore muscles and aching backs, but with them, all 12 members of SAGE helped raise \$380,000.00 for the men, women and children suffering with HIV or AIDS.

The crew this year were: Sandy Darral, Eve Pinder, Toni Herbert, Susan Mack, Didi Kelly, Mary Ann Knoke, Betty Priscak, Jean Johnson, Dick Dehn, Gary Payne, Larry Silberhorn and Gary Garberson.

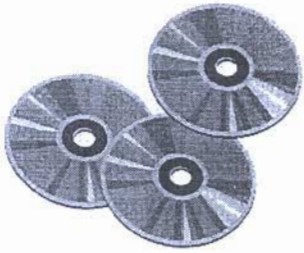

Together we spent three days working from Miami to Key West, doing something we all will never ever forget.

A special thanks to Allan Johnson and Jack Kosko for their financial support to the crew of SMARTRIDE, helping to cushion the burden. ■
