"SENIOR ACTION in a GAY ENVIRONMENT"

MARCH 2006

FAREWELL AND THANK YOU FOR THREE YEARS OF SUPPORT

After thirty-six of these articles I knew that this one would ultimately be forthcoming. It's never easy to say goodbye, but of course, that time comes to us from time to time. I've had the privilege of working with some of the most talented people here in South Florida.

First and foremost, unforgettably, our Vice President, Rick Carlone, who gave us so many hours of Showtime. What an honor to spend five years with this man on the Board of Directors of SAGE.

We've come a long way these past three years but none of our accomplishments could have happened without the professionalism of people like Bob Tomasulo, who is retiring after nine years of service.

Dedicated people like Betty Ann Priscak, Jean Johnson, Hank Brooks, Sal Orlando, Jan Kronholm, Sandy Darrall, Ann Smith and a very special Board Member, John Gearrity, and of course, retired Board Member Shirley Tiano

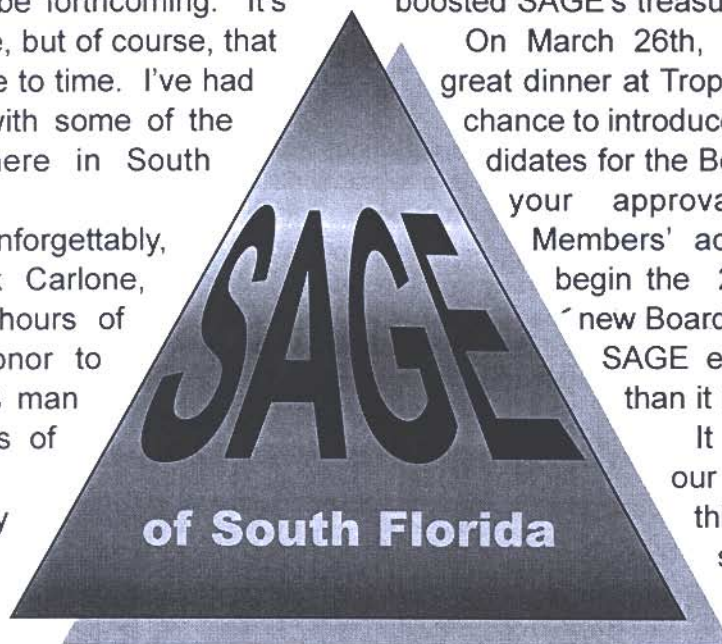

(who, along with her "Shirley's Girls"), have boosted SAGE's treasury tremendously.

On March 26th, during our event and great dinner at Tropical Acres, I'll have the chance to introduce to you three new candidates for the Board of Directors. With your approval and the Board Members' acceptance, SAGE will begin the 2006-2007 year with a new Board and a chance to make SAGE even bigger and better than it has ever been.

It is my hope that you, our valued members, give this new Board the same support and encouragement that you have given me.

On behalf of my partner Gary Garberson and myself, thank you again for your love and friendship. We will never forget any of you. ■

Most Sincerely,
Larry Silberhorn, President
