"SENIOR ACTION in a GAY ENVIRONMENT"

MAY 2006

OPEN LETTER TO MEMBERSHIP APRIL 2, 2006

I am extremely honored that the President's Club and the members of the Board have chosen me for the leadership of this, the most prestigious organization in South Florida.

I accept this challenge with all the gusto imaginable. Larry Silberhorn is a very hard act to follow, but I find the chore not nearly as challenging as it could be; if it were not for the wonderfully talented Board he leaves with me. The SAGE Board has developed a magnificent work strategy. They are comprised of worker-bees.

Bob Tomasulo has taken a sabbatical, but we are replacing him with his very own partner, Michael Di Paola, who is multi-talented and a promise from Bob to always be in the wings to support us in any way he can. I have served with Michael on another Board and am aware of his capabilities and delighted to have him serve with us.

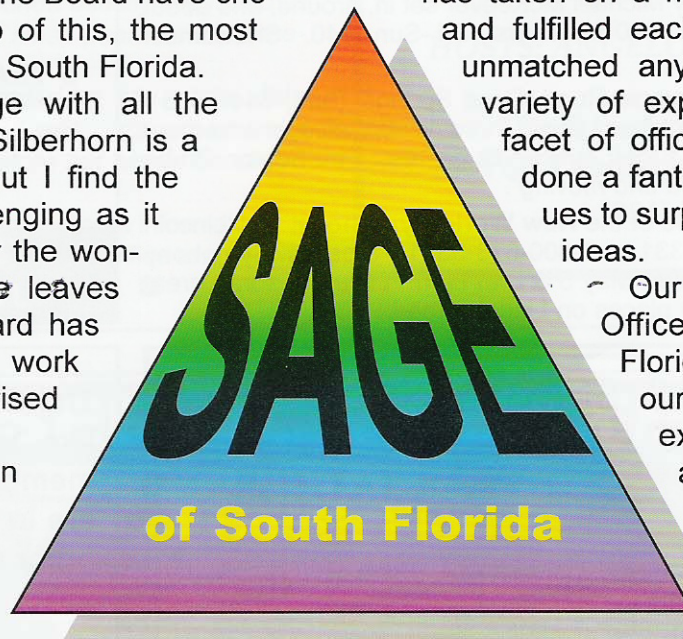

We are also adding Jack Kosko, an extremely bright young man who seems eager to get started with his talents and strengths.

Ken Goodman, a knight in shining armor, has taken on a multitude of important jobs and fulfilled each with a promising order unmatched anywhere. Ken has had a variety of experience in almost every facet of office management. He has done a fantastic job for us and continues to surprise us with his ideals and ideas.

Our Board of Directors and the Officers of SAGE of South Florida look forward to serving our membership with great expertise, lots of new ideas, and innovative ways to capture what we have yet to discover. We ask you to bring forth all of your ideas and willingness to help. We must

have and will appreciate your input, your volunteerism, and your enthusiasm to keep us on a path of success. Thank you for giving me this opportunity to serve you in yet another capacity of this organization. My promise to you is excellence. ■

President
Jean Johnson
