The stunning sets pull you straight into the magical world of Oz. The energetic and well-choreographed dance numbers, paired with captivating songs, create a grand musical spectacle. It's a carefully crafted work where the story and atmosphere keep you engaged until the final moments on the screen.

Based on a large collection of gay love letters written during World War II, this drama tells the story of two gay men who were in love but torn apart by circumstances beyond their control. Exchanged between 1938 and 1941, the letters were uncovered in 2017 and represent the largest known collection of LGBTQ love letters from that time period. Using text from the actual letters, *The Letter Men* follows the two men as they fight to keep their love alive in the face of war and loss.
