Wish of a Lifetime

Charlie Siegel's explains the awesome impact of **AARP's Wish of a Lifetime** program, which helps older adults turn meaningful dreams into reality. Through personalized experiences, the program celebrates the accomplishments, passions, and life stories of seniors while helping them reconnect with the people and moments that matter most. As part of AARP's charitable efforts, Wish of a Lifetime continues to inspire hope, joy, and purpose by showing that it is never too late to pursue a lifelong dream.
